Dear Catherine,

Thank you so much for sharing your experiences with us here at MassStar. My fellow delegates and I truly admire you as a person and businesswoman. You have overcome so many obstacles and we commend your perseverance. What a gift you are to this world to do such a wonderful thing to make many people's lives better through your non-profit company. You have touched many people's hearts in many different ways. Thank you for making our weekend so meaningful.

Sincerely,
